## PACKAGES

### HALF DAY PACKAGE

For those of you that work a 9-5, you know you can cram a whole lot into 8 hours when you're not on Facebook. That's why the half day booking still gives you so much scope to capture great, beautiful, fun, key moments for your event.

This includes; an initial consultation so we can get to know each other better (I'm a Scorpio), a pre-wedding day shoot for you and your partner in crime, a USB stick full of hi-res pictures, a complimentary print, and an online gallery full of social media sharing gold!

£795

For your life's  
special moments

### FULL DAY PACKAGE

The full day shoot is a very personal experience. I will be with you every step of the way from the amazing getting ready part to the even better dad dancing part. For this package you will get all that is offered above, but with 12 hours of shooting potential, a password protected online gallery where you can view and purchase individual images and wedding album printed and bound for your parents viewing pleasure. so much good stuff for your day, I can't wait to share it with you!
