# Your Wedding

YOUR WAY - ITS ALL ABOUT YOU

We can tailor a wedding to exactly what you dream of, not what we say works best. We will listen to your exact vision of your day and ensure we deliver your day, your way.

Let us take you on a journey...

As you make a memorable entrance along our spectacular drive, through landscaped grounds and manicured lawns on your approach to the impressive Victorian Country Manor House.

You can say your vows in the magical surroundings of one of the many elegant state rooms or great halls, each atmospheric rooms offering an incredibly special space for the most important part of the day.

Next, you and your guests will make your way out to our formal gardens for a drinks reception, you will enjoy sumptuous canapés, refreshing reception drinks, with time to wander our beautiful grounds. This is the perfect opportunity to capture that once-in-a-lifetime moment on film or camera, exploring the many unique photo opportunities, with the beautiful building as a stunning backdrop.

Once back inside, your guests will welcome you as the newly married couple as you take your seat for a truly mouth-watering wedding breakfast, where your guests will enjoy the bespoke menu, you have chosen. Guest will laugh, cry and cheer as they raise a glass of bubbly during the speeches.

Relax and catch up with your guests after the wedding breakfast in one of our comfortable staterooms, at the bar or outside in the gardens. This is a wonderful opportunity for your guests to explore the house a little at their leisure. Recharge your batteries ready to step on the dance floor for the first dance as a happily married couple, followed by the cutting of the cake.

Finish the day off in style with your evening reception where you and your guest can dance the night away and make memories that will truly last a lifetime.
