How we work

Tell us what you need

Whether you are looking for a corporate video or the perfect wedding videographer, tell us what you need and we have got you covered.

Talented Videographers

Our highly trained videographers and photographers are based all over the UK and ready to shoot within two hours' notice. We will match the best videographer for your requirements.

Dedicated Producer

Your own dedicated producer will handle the production from start to finish. This ensures you only have one point of contact throughout.

Quick Turnaround

We operate a 24 hour post production studio, enabling us to deliver a first draft of your project within 48 hours of filming.

Customer Stories

“ GetFilm were nothing but professional before, during and after our wedding shoot. We are delighted with the level of service and amazed at how professional our wedding video looked and they beat any quote we had! ”

Natalie and Andy

www.getfilm.co

Customer Stories

“ We were let down 2 days before our wedding with another film company. We contacted GetFilm and they arranged the shoot within 1 hour and also were cheaper than our original quote. ”

Amy and Kalum

Wedding Video Service

The Shoot

It's your big day so you are in control. Working with your dedicated producer, you will decide on how many hours you would like the filmmaker and what elements of your big day they capture.

Trailer

A beautiful and highly watchable cinematic trailer of your big day. Between 3 and 5 minutes long, the trailer is perfect for sharing with friends and family and across your social media channels.

Short Film

A beautiful short film capturing all the best memories of your wedding day. Usually 30 to 40 minutes in length, the film is edited and colour graded in cinematic quality for a lifetime of viewing.

Full Film

A full length video of you wedding day, in real time, capturing every little detail of your special day. Including the full ceremony and speeches, with no cinematic grading or music overlay added.
